

MOSAiC
Orthopaedic Care

A full picture of Orthopaedic Care

We understand that when it comes to healthcare you want expertise, a seamless service and the highest professional standards.

Mosaic Orthopaedic Care is a team of like-minded colleagues, each a university teaching hospital consultant and an expert in his own field.

We work closely with selected colleagues in radiology and imaging, anaesthesia, physiotherapy, podiatry and occupational therapy – teamwork, applied to your problem, is very important to us.

We are totally committed to your needs, passionate about what we do, and strive to be the best which is why we are Mosaic, a full picture of Orthopaedic Care.
